

Shir Tikvah Torah and Haftarah chanters/readers 5772

Thank you for participating in the mitzvah of the ritual of bringing the words of Torah and Haftarah to the congregation.

1. All readers should check their pronunciation carefully using a site such as Navigating the Bible or with Joyce Shields. The *kamatz katan* lurks!
2. All Torah readings follow the 3rd year of the Triennial Cycle, *haftarah* readings follow the Sefaradi tradition.
3. Please contact the Shir Tikvah office and we will happily reserve the readings you choose.
