

# Hevra Project 5772 Calendar

***On Three Things the World Depends: Torah, Avodah, and Gemilut Hasadim***  
**(learning, communal ritual celebration, and acts of kindness)**

.....and we're going to find out more about all of them!

## **Post Bar/Bat Mitzvah Jewish Learning at Shir Tikvah**

The Hevra program is a community-based program of Jewish learning in which students explore different aspects of what it means to be Jewish in the world. Learning and socialization are organized around the three major principles of Jewish life: Torah study, community responsibility, and social justice. Students in all grades 7-12 are welcome to continue their Jewish learning with their Jewish friends through the Hevra group.

Visit the Hevra page on Shir Tikvah website to read Rabbi Ariel Stone's letter to Hevra teens and families, and to see updates and details about the coming year at <http://www.shir-tikvah.net/shirblog/learning/hevra>. You can also become friends with Shir Tikvah on Facebook at <https://www.facebook.com/shir.tikvah>.
